4.30pm	Supreme Championship Presentations
5.00pm	Trade stands may be dismantled
7.00pm	All Britain Awards, Dinner & Dance (tickets to be purchased in advance)

# *Where the Dairy Industry Meets*

Welcome to Borderway UK Dairy Expo the UK's premier dairy event I hope you are able to use the event as a source to develop your industry knowledge and to learn about the latest trends and innovations that will shape milk production in the future.

Glyn  
**LUCAS**

The event encapsulates the UK's largest dairy livestock show, an important trade show, the UK's largest open International Showmanship competition, The Holstein All Britain awards Ceremony, The John Dennison Lifetime Achievement Award and The Rising Star Award.

Striving for perfection is something that we all love to watch whether it's the Olympics, the Tour de France, the Six Nations or Premier League and in many ways UK Dairy Expo is the livestock version of those phenomenal events. Can I congratulate all those exhibitors who continually strive for perfection and who make this premier event such an amazing spectacle by exhibiting their bovine beauties. Once again, we have a record entry of livestock from across England, Scotland and Wales with all the dairy breeds represented.

The Supreme Championships for the heifer show takes place Friday night following the Holstein Heifer Show. The Overall Supreme Champion will be presented on Saturday at 4.30pm and will be selected by an incredible group of highly skilled judges.

The long term success and future of the dairy industry depends on the companies who support it via their services and products and many of these businesses will be present during UK Dairy Expo. I would like to thank all our sponsors and especially our mainline sponsors Carrs Billington, HSBC, Holstein UK, Cattle Information Service and H&H Ltd. As well as our local and national companies represented at our trade show we are excited to welcome several international companies from North America, India and Pakistan.

I am super pumped as is the whole Expo team to welcome you to Borderway for what will be our 12th event. Your support is appreciated and highly valued and I hope the event will continue to play an important role in the promotion of the UK dairy industry both nationally and on the global stage. The event is packed with opportunities to learn, network and socialise, I hope you have a fantastic time at Expo.

Thanks for milking

*Glyn Lucas*

Harrison & Hetherington Ltd

# JUDGES

## HOLSTEIN/BROWN SWISS/DAIRY SHORTHORN

Ben Govett, of Tandara Genetics, has had to switch up his farm's name from Tandara Brown Swiss, to cover off on the multiple breeds now residing on his 600-hectare operation at Dingee, in northern Victoria (two hours north of Melbourne).

Tandara has been Premier Breeder and Premier Exhibitor in the Brown Swiss at International Dairy Week (IDW) in Australia every year for the last decade. That has usually included Tandara names on the Champion, Reserve and Honourable Mention – and every other broad ribbon on offer for the breed. Tandara has bred and owned the last eight IDW Brown Swiss Grand Champions.

Ben is also part of the three-way partnership on one of Australia's famous Illawarras, Wallumlands Sunstorm 8 EX95. Sunstorm 8 was shown four times at IDW for four Grand Champions and two Supreme Champions (of all breeds) between 2015 and 2019. The partnership included good friends, Daniel Bacon (Brookbora Jerseys) and Glen Gordon (Gorbro Holsteins). Notably, at IDW this year Ben, Daniel, and Glen all won Premier Exhibitor in their respective breeds. Ben has also owned broad ribbon winners at IDW in Holstein and Ayrshires.

Ben's 300-head herd is an even split between Brown Swiss and Holsteins with some Jerseys and whatever other breed Ben may have on-board as a favour to someone. The Holsteins average 10,500 litres (625kg Milk Solids) and while the top two dozen Brown Swiss are marginally behind the Holstein in litres, Ben confirms the top tier of Brown Swiss hold the power in Milk Solids. He supplies processor, Lactalis.

Ben's judging resume is just as diverse as his breed choices. He has judged at every Royal Show in Australia – Melbourne, Sydney, Brisbane, and Adelaide. He has also judged the popular Toowoomba Show. He travelled to New Zealand Waikato Holstein On-Farm competition & was Judge of the combined breeds at 2023 New Zealand Dairy Event. He judged the Holsteins at the Victorian Winter Fair in Bendigo & more recently was the over Judge for the Victorian OFC picking Overall winners from over 1000 Holstein cows. He has officiated numerous times at International dairy week including being the 2023 youth show judge.

Ben works hard at home, but he is also well travelled, and he is a regular visitor to the World Dairy Expo (WDE) in the United States. Ben graduated from the University of Melbourne with a degree in Animal Science, and he has used it as a vital base to run a profitable operation in one of the most challenging areas to dairy in Australia.

**Ben  
GOVETT**

# JUDGES

## BRITISH FRIESIAN

The Howcommon Herd was Honourable Mention in Holstein UK Premeir Herd competition and received Master Breeder status as few years ago.

John has been on the UK judging panel and the European judging panel for many years and has judged extensively in the UK. As well as judging many shows John has been the official judge for regional and National Herd Competitions all over the UK and the Rep of Ireland.

Some of John's most notable judging assignments have been the Dairy Farming Event, Royal Highland Show, Royal Welsh Show, Agri Scot and the Great Yorkshire show.

John has extensive International judging experience as well having judged national Holstein shows in Denmark, Sweden, Poland, the Azores, Germany, France, Isle of Man and the Rep. of Ireland. One of the major highlights in John's judging career was being selected to represent Great Britain at the European Holstein Show in Colmar, France where he judged the county groups.

**John  
COUSAR**

## RED & WHITE/JERSEY/AYRSHIRE

Australian dairy farmer Daniel Bacon, milks 320 high-production Jerseys under the well-known prefix, Brookbora Jerseys.

Brookbora Jerseys – located on 283 hectares in Tennyson, Victoria – is Australia's highest production herd, the reigning Premier Breeder and Premier Exhibitor herd at International Dairy Week (IDW), and the No. 2 Australian Jersey herd in BPI [Balanced Performance Index]. Brookbora also has the distinction of breeding more than 350 EX cows.

Daniel spent eight years working as a nutritionist studying animal science at Charles Sturt University, Wagga Wagga (New South Wales). He returned to the family farm in a part-time role in 2017 – balancing it with his nutritionist work – before joining the Brookbora partnership full time with his parents, Robert and Sandra.

Their Jersey herd averaged 668kg milk solids in 305 days last season (with an average bodyweight of 430kg). Brookbora also bred two popular sires, which are being used across the globe, Brookbora Valentino Askn, and Brookbora Bushfield-P (in addition to co-breeding Pannoo Abe Vanahlem).

Daniel is also part of the three-way partnership on one of Australia's famous Illawarras, Wallumlands Sunstorm 8 EX95. Sunstorm 8 was shown four times at IDW for four Grand Champions and two Supreme Champions (of all breeds) between 2015 and 2019.

Daniel has travelled extensively courtesy of the Jersey cow through the United States, New Zealand and throughout Australia. He has judged shows and on-farm competitions in every state of Australia, and in 2022 judged the Holstein's at the New Zealand Agricultural Show followed by the Jerseys at the New Zealand Dairy Event in 2023

## SHOWMANSHIP

Since 2012 and re-locating to Wisconsin, USA Roger Turner has been the Global Sales and Genetic Manager for Jetstream Genetics Inc. Previously he was employed by Alta Genetics Inc. as a Regional Sire Analyst and also an International Sales Manager for just over 18 years.

Roger was raised at Railhaven Holsteins, a registered Holstein farm in Ontario, Canada. Turner was a self-employed, professional dairy cattle fitter for 12 years before joining the AI industry. This work took him across North America and to many foreign countries where he prepared, showed and owned numerous All-Canadians, All-Americans and grand champions.

Roger's judging career has included assignments to more than 22 countries, and over 20 US states and numerous Canadian provinces. Roger has judged at The Royal Winter Fair in Canada, Swiss Expo in Lausanne, Switzerland, European Holstein Show in Verona, Italy, International Dairy Week in Australia, UK Dairy Expo Carisle, England as well as four occasions at World Dairy Expo, Madison, WI.

Additionally, he has served as a member of both the All-American & All-Canadian selection committees for various breeds and has officiated at numerous US National Shows. Roger in the past has held positions on the Holstein Canada Type & Classification Advisory Board and Past President of the Canadian Livestock Genetics Association. Roger was recently awarded a 20 year service award from NAAB for outstanding service and commitment to the improvement of the livestock industry.

A proud supporter of youth programs, Roger is also a volunteer at the USA Inter-collegiate Judging Competition at WDE as well as a Canadian Classic volunteer at the Royal Winter Fair in Toronto. Roger finds his spare time to be occupied as a First Responder & Fire Fighter with the Sun Prairie Fire Department.

Roger lives in Sun Prairie, WI, USA

**Roger  
TURNER**

## ASSOCIATE JUDGE

Will works on the home farm where the family runs 250 cows under the Woodcatt prefix. In 2023 Will won Supreme Champion Holstein Young Breeder at the All Breeds All Britain Calf Show.

## **AGRICULTURE**

### **North and Scotland**

HSBC UK's team of dedicated agriculture relationship managers provide financial support to dairy farming businesses across the United Kingdom. Despite challenges the sector faces including input cost inflation, labour availability and mitigating climate change, we believe there are great opportunities for UK dairy farmers to expand production to meet growing global demand for dairy products. We remain fully committed to the sector and look forward to providing further support to customers, old and new, to invest in the future of their businesses.

**CLASS SEVENTEEN – JUNIOR CHAMPIONSHIP***Sponsored by* **HSBC****HSBC UK****AGRICULTURE  
North and Scotland**

HSBC UK's team of dedicated agriculture relationship managers provide financial support to dairy farming businesses across the United Kingdom. Despite challenges the sector faces including input cost inflation, labour availability and mitigating climate change, we believe there are great opportunities for UK dairy farmers to expand production to meet growing global demand for dairy products. We remain fully committed to the sector and look forward to providing further support to customers, old and new, to invest in the future of their businesses.

ELECTRONIC CUP REMOVERS

## LOOKING FOR CUP REMOVERS?

MilktechNZ® is now in the UK! Check out our CR-1 electronic cup removers. Change milking parameters from your smartphone or any WiFi enabled device in real time. Easily customise your CR-1 electronic cup removers for full control. Come see us at the UK Dairy Expo or contact Brent Crothers NOW for more information.

- Improved milking efficiency
- Labour saving
- Cutting edge technology
- Robust design
- Retrofittable on any existing milking equipment
  - herringbone, parallel or rotary
- Simple to use
- New Zealand made and manufactured

## **AGRICULTURE North and Scotland**

HSBC UK's team of dedicated agriculture relationship managers provide financial support to dairy farming businesses across the United Kingdom. Despite challenges the sector faces including input cost inflation, labour availability and mitigating climate change, we believe there are great opportunities for UK dairy farmers to expand production to meet growing global demand for dairy products. We remain fully committed to the sector and look forward to providing further support to customers, old and new, to invest in the future of their businesses.

ANIMAL'S DAILY MILK YIELD?****CR-1**  
ELECTRONIC CUP REMOVERS**YD-1**  
YIELD DISPLAY**MILKTECHNZ® CAN DO BOTH!**

With the MilktechNZ® CR-1 electronic cup removers you can change milking parameters from your smartphone or any WiFi enabled device in real time. Easily customise your CR-1 electronic cup removers for full control and at the same time save labour and future proof your parlour.

The MilktechNZ® YD-1 yield display provides real time information about each animals milking status including production volume, kick off alerts and low milk alerts, giving the operator the ability to make instant decisions on how to manage the animal. The MilktechNZ® YD-1 is a perfect upgrade to the CR-1 electronic cup remover.

**MILKTECHNZ®**  
Simply Clever Innovation.

Agriculture

## Specialist Agricultural Accountants and Tax Advisers

### Growing our rural economy together

- Agricultural Accounts
- Accounting and Audits
- Growth and Diversification Advice
- Succession and Inheritance Tax Planning
- Bookkeeping and Software Support
- Budget and Cashflow
- Business Advice
- Value Added Tax

Farming can be complex, unique and specialised, so working with an accountant who really understands your business is essential.

# think dairy

UK DAIRY  
CAREERS EXPO

HOSTED BY

DIGITALDAIRYCHAIN

HARRISON &  
HETHERINGTON

## 23rd April 2024

Location: H&H Borderway, Carlisle

Audience: Secondary schools, age 14+

**think dairy** is the UK's first dairy careers expo and is the industry's opportunity to showcase the variety of exciting and challenging roles available within the dairy sector.

The Digital Dairy Chain has partnered with H&H Borderway in Carlisle to offer secondary school pupils the chance to discover why a career in the dairy industry offers more than they might expect.

**Book your stand at the UK's first dairy careers expo!**

Email [info@digitaldairychain.co.uk](mailto:info@digitaldairychain.co.uk) to reserve your free space or scan the QR code to find out more.

Love caring  
for animals?

## JOHN DENNISON ACHIEVEMENT AWARD

**Presented annually at the Borderway UK Dairy Expo**

The trophy that the recipient receives is of John when he was younger taking part in Cumberland Wrestling which he was a 2 time World Champion in.

*These are the previous winners:*

*Mike Miller 2013*

*John Gribbon 2014*

*Sam McCormick 2015*

*Alistair Laird 2016*

*Mark Nutsford 2017*

*Jimmy Wilson 2018*

*Bill Nadin 2019*

*Blaise Tomlinson 2020*

*David Yates 2021*

*Harry Hodgson 2022*

In 2023 the award was presented to Hugh Kennedy who established the renowned Stair Holstein herd that was dispersed in 2022.

Hugh Kennedy farmed at East Carnglilian Farm in Ayrshire, Scotland all his life and has experienced much success. Winning numerous Championships, the first was winning Ayr Show in 1983 with Stair Ermine. The Stair Holstein herd won the West of Scotland & the Scottish Club herd competition on several occasions the last being in 2022

In his eightieth year Hugh has not lost his passion and enthusiasm. 2022 resulted in another string of Grand Champions and accolades. Grand Champion rosettes were picked up at five shows. Another All Britain nomination was awarded as well via the Reserve Grand Champion from the Ayr Show – Stair Galantis Delight.

Hugh, along with the Dennison family will present this years recipient with the John Dennison Lifetime Achievement Award on Saturday 16th March

Hugh  
**KENNEDY**

We're on Stand 22!

## HEALTH AND SAFETY RULES HARRISON & HETHERINGTON LIMITED

### NOTICE TO ALL VISITORS AND TRADERS PLEASE READ AND OBSERVE THE FOLLOWING

All visitors and traders on site will be responsible for ensuring that they and their employees or sub-contractors engaged by them comply with all legal requirements, including the Health and Safety At Work etc., Act 1974, The Management of Health and Safety At Work Regulations, The Provision And Use of Work Equipment Regulations, etc.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

Passageways must be kept clear at all times during the show. **PLEASE DO NOT STAND IN THE SHOW RING ENTRANCE AND EXIT PASSAGES.**

Man escapes and refuges must be kept clear at all times.

All portable electrical equipment supplied and/or used by visitors and traders must be safe and fit for the purpose and should have a valid portable appliance test certificate.
